Billy Elliot the Musical is a musical based on the 2000 film Billy Elliot. **The music is by Elton John**, and the book and lyrics are by Lee Hall. The plot revolves around motherless Billy, who trades boxing gloves for ballet shoes.

Billy Elliot shares this inspiring story of a poor, working-class boy who discovers his passion for dance in a community strife caused by a miners strike as his family struggles with hardship. This story is his personal struggle and success that are balanced against a counter-story of family and community and proves everyone wrong. This is truly a great story. The musical premiered in London's West End in 2005. In New York, it won ten Tony Awards and ten Drama Desk Awards, including, in each case, Best Musical. It has also won numerous awards in England and Australia.
